Membership Agreement

Welcome to Sprouting Seeds School! A successful cooperative requires each family to take an active role in the school. The following membership agreement contains a list of the basic participation requirements of the Sprouting Seeds program.

- I will pay my tuition in full at the beginning of each quarter; or in two payments, $\frac{1}{2}$ at the beginning of the quarter, and the other $\frac{1}{2}$ 5 weeks later.
- I will attend all required work days. I will try to arrive at school 15 minutes before the start of class, and I will remain after class to clean up.
- I will make arrangements with another parent to work if I am unable to do so on my scheduled work day. If I am unable to make arrangements I will contact the teacher as soon as possible.
- I will attend all general membership meetings held by the school.
- I will serve and perform the duties of one committee of my choosing each quarter, or I will serve as one of the board of directors.
- I will participate in each fundraiser, or pay the buyout fee per fund raiser (see handbook).
